Professional Outlook

Results-driven professional with experience in all stages of film and media production. Specializes in video editing, post-production, and crafting digital content that drives brand awareness and audience engagement. Proven track record in producing content for television, social media, and various online platforms.

Experience

Video Producer

HealthPoint / Seattle, Washington / 2022- Present

- Develops internal and external content to reinforce brand identity and communicate HealthPoint's mission to patients and the community.
- Produces multimedia fundraising content featured at key annual events, serving as the primary liaison to external production crews.
- Responsible for coordinating and scheduling with people across HealthPoint's locations spread across the King County area.

Promotions Producer

KIRO7 (Television Station) / Seattle, Washington / 2024 - Present

- Handles production and localization of commercials/advertisements.
- Produces daily news topical promotions – highlighting two-to-three stories each day to promote and engage viewers during the broadcast.
- Responsible for the creation and posting of media to the KIRO 7 News Instagram (115,000+ followers) that generates thousands of views daily.

Content Developer & Video Editor

Petrichor Productions / Seattle, Washington / 2017 - Present

[Vimeo Media Gallery](#) / <https://www.petrichorproductions.biz>

- Guides clients in shaping and executing their project vision.
- Coordinates across diverse roles and time zones to ensure accurate and efficient content production.
- Requires in-depth knowledge of current social media trends and how viewers engage with content online.

Video Editor & Camera Operator

KGW8 (Television Station) / Portland, Oregon / 2019 - 2022

- Partnered with reporters, anchors, and producers to edit/produce video packages for the Sunrise show.
- Responsible for the creation, management, and execution of hundreds of video placeholders for every broadcast.
- Generated content in coordination with the digital team to share and promote the KGW brand across multiple platforms
